STEVE CANO RECEIVES “SUPERVISOR OF THE YEAR” AWARD FROM SANTA ANA RIVER BASINS SECTION OF THE CALIFORNIA WATER ENVIRONMENT ASSOCIATION

(Costa Mesa, CA) – The Costa Mesa Sanitary District is proud to announce that Steve Cano, Sewer Maintenance Supervisor, was awarded “Supervisor of the Year” for 2014 by his peers at the Santa Ana River Basins Section (SARBS) of the California Water Environment Association (CWEA). CWEA was established in 1927 as a not-for-profit association that is dedicated to training and certifying wastewater professionals as well as disseminating technical information and promoting sound policies to protecting and enhancing California’s water environment. CWEA has seventeen local sections and over 9,000 members statewide. Steve’s achievement is significant because SARBS represents wastewater agencies in Orange County, San Diego, Riverside and portions of San Bernardino counties. SARBS has a vast number of membership agencies with many qualified and high achieving supervisors, so to receive this award is a testament to Steve’s commitment to his profession and to protecting the environment.

Protecting our community's health and the environment by providing solid waste and sewer collection services.

www.cmsdca.gov

Steve will be representing the District and SARBS for Supervisor of the Year on a statewide level by competing against other "Supervisor of the Year" recipients from CWEA's 16 local sections. The announcement will be made at CWEA's annual conference in San Diego on April 28 - May 1, 2015.

For more information, please visit the District's website at www.cmsdca.gov.
