COSTA MESA SANITARY DISTRICT RECOGNIZES LOCAL SCHOOL FOR PLACING SECOND AT TRASH ARTISTCHALLENGE EXPO

(Costa Mesa, CA) – On Saturday, April 20, 2013, the MUZEO, Southern California's newest museum hosted its 3rd Annual TrashARTist Challenge Expo. Coinciding with Earth Day, the event recognizes students' artistic reuse of trash by promoting a message of conservation, sustainability, and recycling. More than 400,000 Orange County students, administrators, city and business leaders participated in this unique environmentally conscious event. The Costa Mesa Sanitary District is a proud sponsor of this event as it relates to trash and is a fun way for students to learn the importance of the four "R's," Reduce, Reuse, Recycle and Rethink. The International Christian Montessori Academy of Costa Mesa, represented by grades 3 – 5, took second place overall with their entry of "Eco Van Gogh." The Costa Mesa Sanitary District Board of Directors will be recognizing the International Christian Montessori Academy of Costa Mesa for its extraordinary achievement at their regular meeting on Thursday, May 23rd. The meeting will be held at 628 W. 19th Street, Costa Mesa and will begin at 5:30 p.m.
