COSTA MESA SANITARY DISTRICT AWARDED CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING FOR THE 4TH CONSECUTIVE YEAR

(Costa Mesa, CA) – The Government Finance Officers Association (GFOA) awarded the Costa Mesa Sanitary District (CMSD) the Certificate of Achievement for Excellence in Financial Reporting for fiscal years ended in 2014. Established in 1945, the GFOA's certificate program seeks to encourage state and local governments to develop transparent and complete financial reports. Each agency's Comprehensive Annual Financial Report (CAFR) is reviewed by GFAO staff and members of the Special Review Executive Committee to determine if the financial reports comply with generally accepted accounting principles (GAAP), demonstrate legal compliance, and include an independent auditors report. Certificates are awarded to agencies if all reviewers agree that the CAFR meets these criteria. This is the fourth consecutive year that CMSD has received this prestigious award.

CMSD is committed to its core value of transparency and strives to achieve transparency through sound financial reporting that is easily accessed by the public. To

Protecting our community's health and the environment by providing solid waste and sewer collection services.
